Walking Directions from Fairmont to the Art Institute

The walk from the Fairmont to the Art Institute following streets (blue line on map to right; described below) is about 0.5 mile and should take about 15 min. An alternative route exists through Millennium Park (red line), but may be crowded; the "Taste of Chicago" festival will be taking place in the park 25 June - 4 July.

1. Exit the Fairmont through the main lobby onto Columbus Drive. Turn right (south) and follow Columbus for 1 block to Upper Randolph Drive.
2. Turn right (west) on Randolph; Millennium Park will be on your left. Proceed until you reach Michigan Avenue.
3. Turn left (south) on Michigan Avenue and proceed for about three blocks until you reach Monroe Street.
4. Cross Monroe and turn left (east). Look for the Monroe St. entrance to the Modern Wing of the Art Institute (large glass building) on your right.
